

We are passionate about food and passionate about people, so we run cafés and a catering enterprise which produce delicious homemade food to generate much of our income.

All profits from our catering business and cafés support our mission to empower communities in Norwich, ensuring each and every person has the support to eat well, live well, and feel connected. Everything we do works towards our vision of 'communities where everyone thrives'.

By providing safe spaces at the heart of the community and a holistic programme of projects and 1:1 support, we can reduce inequalities, raise aspirations, and create a shared culture of strength and kindness.

Our food is prepared fresh to order and made in our commercial kitchen at the Norfolk Showground.

We deliver your food in our signed vehicle so you can be confident in who is entering your business premises.

We provide the 'know how' and confidence to fulfil any of your catering requirements so whether it's a working lunch for the office, refreshments during training, an event or private reception, you can be sure of one thing – The Feed will deliver great fresh food and make it a success which is why our clients come back again and again!

Our menus are comprehensive and offer options for all dietary requirements. For your convenience we also offer some set menus and recommendations.

Order Deadline

We ask that orders are with us at least **five working days before the event.**

We will always try to fulfil any last-minute requests, but this will be subject to resource availability.
